### Enio's Ramblings

John is on holidays for this comp. Please ring the new number below.

Well done nearly all score sheets were filled out completely, with FULL Names and the matching Player # as per player list on the bottom each score sheet. Fill in players where duly noted. BUT new players need to be marked "new to comp". New players added to a team also required a phone number and email address to be added at the bottom of the form.

We are still not being advised of pool player recruitments and it seems teams are still approaching other teams in their own division to find a sub for the night. This is not allowable unless no pool players are available.

There are a TNM assistants at Pennant Hills each week. Please see one of them immediately if there are any problems with players not showing up or disputed scores etc
