ETDTA - Minutes of the 99th ANNUAL GENERAL MEETING – 24th October 2023

Chair: Kaye McIntyre

Meeting started at 7:39pm

Attendance as per attendance Register: 26

1. **APOLOGIES:** Geoff Darmody, Martin Wing, Karen Williamson, Gaurav Gupta, Penny Ryan, Anne Wallis, Ajay Patankar, Monique Spiller, Brian Tierney

It was **moved** John Phare, **seconded** Matt Condon, that the apologies be accepted. **Carried.**

2. **Acceptance of minutes of previous Annual General Meeting:**

It was **moved** Matt Condon, **seconded** Andy Kleiberg, that the minutes of the 2022 AGM be accepted. **Carried.**

3. **PRESIDENT'S REPORT:** Kaye McIntyre

I refer you to page 1 of Annual Report but just a few words in addition.

I would like to thank everyone who has contributed to the success of Association in the past year and my apologies for not naming everyone.

As always, it is a busy tennis centre and we continue, with staff and volunteers, as well as our member cohort, to play tennis in a beautiful park setting, which we all must be thankful for.

We have had some changes this year and it is reflection on a society as a whole, as an organisation it is important that we stay up to date with government/council requirements, community expectations and tennis regulations, whether it be children's safety, inclusiveness, privacy laws, diversity needs etc. Also being able to meet increasing inflationary costs.

All of this means as a volunteer committee we are pressed at times to fulfil those needs, and it is very important that as people we appreciate what others do, and show kindness to all, something that sometimes goes missing in busy lives.

And we have been busy. Grant writing, constitution redrafting, centenary functions, tennis walls and fencing, infrastructure improvements with new fencing, seating, bathroom improvements, venue sustainability rating work, strategic planning, council liaison and so on.

Also, a new Manager to the centre that brings to us a depth of experience in sports management and program development, or redevelopment as needed. I would like to thank Kelley Keyes personally for her foresight, work ethic, management skill and ability to assess and to develop new programs, whether off her own initiative or with partners such as Tennis NSW for various areas. Also, her aim to develop, especially within junior tennis, a culture that will endure with sport and friendship. And to do it always with a smile!

Also, development of new products, for example, a recent Thursday afternoon school project which is in progress now, pilots for girls in the new year, and revamped programs to meet today's sporting consumers. New products, or tennis offerings take time, energy and investment, and without these we will not develop and have the ability to fill the courts as needed to increase court hire revenue.

And to finish, a note to the volunteers, our gardening guru, Brain Tierney, our competition secretaries and especially to Robyn Johnson who is retiring after 5 years in the Monday night role.

Their team of captains, our committee members and other pop-up volunteers, whether it be a special project, such as Ray Gerke has been assisting on, and also our social tennis organisers, our annual report layout by Sam McCullough on a tight turnaround. Thank you. Our centenary sub-committee led by Dave Cochrane, great job. Our staff, supporting our members and keeping things on spec in the pro shop and surrounds. And lastly to the executive and their counsel. Thank you.

Acceptance of President's Report

It was **moved** Mary Baker, **seconded** Lindy Gerke, that the President's Report be accepted. **Carried.**

4. TREASURER'S REPORT: Dennis Pike

In my mind, in the Balance Sheet there are only 2 major items to highlight. The cash situation is just under \$200k up on previous years. We've also increased our provisions considerably.

The P&L – total income is well up on last year, total expenses are also well up on last year. Total profit is down by approximately \$11k. For YE22 we put \$50k aside in provisions and for YE23 we put \$100k aside.

Acceptance of Treasurer's Report (Financial Report for the year ended 30 June 2023)

It was **moved** Gerry Baker, **seconded** Matt Condon, that the Treasurer's Report be accepted. **Carried.**

5. OFFICE BEARERS ALREADY DEEMED ELECTED UNDER ETDTA INC. RULES:

The following nominations were received at least 3 weeks prior to the AGM and these nominees are elected unopposed as Office Bearers of the Association for the 2023/2024 year.

<u>POSITION</u>	<u>ELECTED</u>

It was **moved** Dennis Pike, **seconded** John Phare, that the sum for an honorarium for the 22/23 term be set at \$320.00. **Carried.**

11. CORRESPONDENCE:

1 item of correspondence was received.

- A letter was received by Council of Management on 20 October 2022, nominating Judy Halbedl for Life Membership of the Association. This letter fulfilled the requirements to enable the nomination to be put to a vote by secret ballot at this AGM.

Kaye read the Letter of Nomination and commended Judy for her nomination as a life member of ETDTA.

12. GENERAL BUSINESS:

- Prior to the secret ballot to vote on Life Member nomination, it was **moved** Clare Perry, **seconded** Dennis Pike, that Dave Cochrane and Andy Kleiberg be appointed as scrutineers to distribute, collect and count the secret ballot papers. **Carried.**

The scrutineers reported that the vote was overwhelmingly in favour of Life Membership of ETDTA Inc. being conferred on Judy Halbedl.

It was **moved** John Phare, **seconded** Clare Perry, that Life Membership of ETDTA be conferred on Judy Halbedl. **Carried.**

It was **moved** Clare Perry, **seconded** Dennis Pike, that the ballot papers be destroyed. **Carried.**

- Grade Tournament Secretary position – Clare Perry questioned the necessity of having 2 people in this position when there is only 1 reflected in the Constitution. After general discussion, it was agreed having 2 was beneficial due to the amount of work involved. Mel Nguyen’s position as Joint Grade Tournament Secretary remains.

Meeting closed at 8:22pm

PRESIDENT'S REPORT:

The 2023/2024 Financial Year continued well for ETDTA Inc. due in large part to the presence of our coaching partner, Voyager. Voyager continues to grow and it is very pleasing to see the junior talent they are harnessing, with high standards of play on display throughout the day. It is worthwhile to visit, just to spend time watching the lessons and squads. Good tennis in real life, rather than on the TV! This excellence was on display at the Interdistrict matches, played in August and September at PHPTC, where many of our Juniors played hard, bonded, and did well.

For well over a year work has been going on behind the scenes to create a strategic plan for the Association. There are various areas in which we feel we could do better, and this plan attempts to address those. Sincere thanks to Ray Gerke, husband of our very successful grant writer Lindy Gerke, for his intensive investigations that have led to the production of this plan which runs from 2024 to 2028. He has been ably assisted in the production of the plan by Lindy. To quote, "This strategic plan identifies the **what** and **why** of future operations to deliver the vision." It is anticipated that the Association will be even stronger following the implementation of the Strategies and Missions listed in the plan. To this end, members of the Council of Management have been asked to volunteer to head up 5 key result areas:- Club Environment, Growth, Sustainability, Accountability, and Local community. The assistance of any member of the Association who is interested in helping to achieve the goals of this plan would be very welcome.

After having spent more than a year as Manager of the Pennant Hills Park and Midson Road Tennis Complexes, Kelley Keyes has left us. In her time Kelley has managed to revive the Junior Branch, and given the Junior Competitions a big boost. Kelley worked with Voyager Coaching to create the teams for 2024 Interdistrict and it is very pleasing that this year we have 19 teams entered, one of the biggest contingents from any Association. It augurs well for tennis when such enthusiastic participation is evident. At the time of writing, one week prior to the Finals Day, we have 3 teams in the finals, and several winners at divisional level. Congratulations to those teams and to all who participated to represent us.

Once again we have been fortunate to win several grants to upgrade and improve our centres. Lindy Gerke and Dennis Pike are to be congratulated for their successful applications. We have received Capital Grants Assistance for the 2024/2025 years from Hornsby Council. This provides 50% towards replacement of two court surfaces, landscaping behind courts 5 & 6, and installation of cold water dispensers in the small clubhouses. And from the NSW Government we received a grant for purchase and installation of an electric BBQ for Midson Rd, which we hope to have completed by the end of 2024. We were able to upgrade fittings in the outside bathrooms under a 2022/23 NSW Government grant, which also partly funded a replacement exhaust fan in the inside ladies bathroom.

I take this opportunity to thank all the volunteers who are essential to the running of this Association. These are the members of the Council of Management who give up their time each month, and sometimes more often, to attend meetings, often dealing with mundane but essential matters that are integral to providing the tennis that we love. You will find their names in the attendance figures and it would take too long to thank them individually for their contributions, but I will single out Judy Halbedl for the time she devotes to membership renewals, and Anne Wallis for her voluntary role as Assistant Secretary, minute-taking at the often lengthy meetings, in addition to her role as our bookkeeper. Others for special mention are Kaye McIntyre who served as President for the majority of this term, and continues to be the mainstay of the PHPTC Sunday Social, Tracey Croft as Secretary, and Enone Melville, Vice President, who gave up a lot of time to the work to modernise our Constitution, a project that is very near completion and soon will be presented to the general membership for their acceptance. Many thanks are also due to Matt Condon and Mary Baker who have spent a lot of

time on staffing matters and guiding the finances, Mel Dolahenty as head of the Courts Committee, and Barb Schultz, our Social Secretary, who seems to spend more time at PHPTC than she does at home!

No roll call of those who have given their time selflessly would be complete without acknowledging the work of Andy Kleiberg, Life Member and previous Treasurer, and Jack of all Trades. He repairs the faulty motors of our mowers, steps in to maintain courts when it is needed, mans the ProShop, volunteers at the Tildesley Shield and Schoolboys and Schoolgirls events, and has recently stepped in as Acting Treasurer to finalise this year's accounts. Andy also helped put together the new Voyager storage shed in the rear carpark. We owe him a huge debt of gratitude.

Similar thanks go to the unassuming Brian Tierney who goes about his work very unobtrusively at PHPTC, but to him goes the credit for the beautiful gardens and shrubs that are appearing in increasing number around the complex. His favourite Brunswick Green paint is seen on the benches behind the courts and our gutters and roofs are kept clear of vegetation and leaves as a result of his hard work and diligence.

However the list of volunteers does not end with those already mentioned. There are also the general Association members who volunteer to help in the canteen and elsewhere at various events, or roll up to assist with the maintenance of the Centre through their participation in our Sunday working bees..

My last acknowledgement is of the thanks we owe to our Competition Secretaries, Fay Yiannakopoulos of Monday Night Ladies, Monique Spiller of Ladies Mid-week, Marina Hurst of Wednesday Night Mixed, and John Phare of Thursday Night Mens. We could not do without you and the jobs you do, sometime thankless, but it is due to you that our competitions are run well and embraced alike by our long-time and newer members.

I thank our sponsors, TAG Financial, Fleet Street Merchants, and Smashing Restrings for their contributions this year.

My final comments I reserve to thank Henry Toczydlowski who stepped in to act as Manager. He has done a magnificent job and endeared himself to many. I cannot praise him highly enough and am sad that he is leaving us, but our loss is a win for Cricket NSW and I predict a great future for him. His work with the juniors and his sense of responsibility is impressive. Henry takes up his new position on 13th November but will continue to work on Saturdays to see the completion of Term four Junior competitions. Thank you Henry and best wishes for a stellar future.

TREASURER'S REPORT:

We again have pleasure in reporting to the members that we had a strong financial result for the year ended 30 June 2024.

Our surplus shows an audited result of \$131,120 which is better than last year by \$ 37,471.

We have continued to provide for capital provisions increasing the provision by a further \$166,989 this financial year.

A grant was received from the Office of Sport that assisted us to carry out further improvements for our complex at Midson Road.

This year the Association accepted a new strategic 5-year plan and is starting the process of implementation. The expected result of this should put the Association on an even better basis than the present one.

Income:

Total income was up strongly from the previous year due to a better performance of the Coaching company and a welcome increase in our competitions.

This represented an increase of 11% over the 2023 year.

The pro-shop recorded similar sales as last year but generated a better profit than 2023.

Total Expenses were up by \$58,444 which included an increase in our capital provisions of \$50,000 more than last year.

Personnel costs as a percentage to total income less grants received were 30.7 %.

Cash Our bank balance plus our debtors less our creditors showed a positive balance of funds at \$1,269,923 at 30th June, 2024. This is an increase of \$ 289,652 from last year on the same basis. This clearly shows the strong financial position that the Association is in.

Summary:

Ongoing maintenance cost with 19 courts requiring major works scheduled over a number of years means we need to be adequately providing for years rather than taking big hits in any one year. We continue to regularly review our facilities with Tennis NSW & other bodies who have given us a high assessment of the condition of the complexes currently and our ability to maintain this for the foreseeable future. My thanks go to the members, the CoM, the Executives and its sub-committees to thank that group for the support they have given me over the year. In particular, I would like to acknowledge the excellent work of Anne Wallis in all her bookkeeping & support work and to Dennis Pike our retired Treasurer keeping the Association in trouble free financial waters.

Acting Treasurer
Andy Kleiberg

MANAGER'S REPORT

Firstly, I would like to thank all the volunteers, committee members and Pro shop staff for their hard work and dedication to North West Sydney Tennis. As Manager, I see the impact and importance of each person has on this club and it does not go unnoticed. Without the help and collaboration of individuals, my role would be a lot harder. So once again I thank everyone who contributed to the growth and development of the club in 2024.

Special mention to departing manager Kelley Keyes. The uplift in standards and the introduction of so many new initiatives including Junior Future Leaders, recycling strategies, and delivering competition after competition and tournament after tournament to such a high standard that we are so proud of.

Around the grounds we were able to install some fantastic new benches onto all the courts! A great effort from our initial fundraising efforts led by Mary Baker with our raffle last year, through to the assistance of those installing them over the holiday period, Andy Kleiberg along with Andy Phelan.

Additional maintenance upgrades:

- New shed installed on court 5
- Hitting wall fence installed
- Court 5 fencing upgraded
- New storage shed installed for Voyager

In August we successfully re-sanded all courts 1 through 16. Looking ahead into October a grant has been approved by council to re-surface courts 3 and 8. We aim to get these courts completed by mid-November in time for the School Boys and School Girls tournament.

I look forward to seeing the 2024/25 season of tennis unfold here at North West Sydney Tennis.

Henry Toczydlowski

COMPETITION REPORTS

Monday Night Ladies Competition Report

Our Monday Night Ladies' Competition currently has 22 teams over 3 divisions –

Div 1 - 8 teams

Div 2 - 8 teams

Div 3 - 6 teams

Unfortunately, we had 1 team drop out for this winter competition, but a new Div 2 team joined, formed from pool players who were invited along to a social hit on finals night. We currently have a total of 14 players in the MNL Pool.

I plan to contact all these players individually to invite them along to the next social hit planned for Finals nights, in the view of forming new teams. I am optimistic that at least 1 if not 2 more teams will be formed to join our Summer Comp 24/25.

The current competition will conclude in mid-September after which the summer comp 2024/2025 will commence.

This has been my first year as MNL Comp Secretary. I enjoyed learning all about XPoint, and I am thankful for the opportunity given me to make a small contribution to our association, at which I played many years of enjoyable tennis.

I would like to acknowledge the help I received from Kelley and her staff, especially Henry, in the Pro Shop at Pennant Hills in respect to MNL XPoint Comp Draw, team payments/weather updates and all the work they all do in ensuring the MNL Comp runs smoothly.

Thanks also to Judy Halbedl for her tireless work with membership and pool updates. Also, I acknowledge the members of the CoM of NWST all of whom work so hard to ensure we can all enjoy our tennis.

My grateful thanks to all these people.

I have confirmed to the CoM that I will be standing for the position of MNL Competition Secretary at the AGM 2024.

I look forward to another year of Monday Night Ladies Competition. My goal is to assist our MNL ladies in any way I can, to make their tennis more enjoyable, and to also reach out to more ladies so that we can continue to grow our MNL teams.

Fay Yiannakopoulos

MNL Comp Secretary

Ladies Midweek Competition Report

We were happy to introduce two new teams to this current competition. One in Division 1 and one in Division 3.

Currently we have 7 teams and a bye in Div 1

8 teams in Div 2

4 teams in Div 3

Our Winter Competition started in July and will conclude with finals to be played 19th November if no wet matches are needed to be played.

We will be playing Melbourne Cup Day this year with a luncheon to share. The Comp will finish before the end of the year and Social tennis will hopefully be offered and popular for the final week of the school year.

We continue to try and encourage players from throughout Sydney to join our competition. It looks like we may be getting another new team in our next comp which will be starting next year after the Xmas break.

We have Reserves for each division

9 for Div 1

6 for Div 2

7 for Div 3

Each week there are still many reserves filling in for teams due to injuries, holidays, covid still hanging around. We are all thankful for all these players on the reserve list making it possible for many teams being able to field teams week to week. Many of these players are happy to remain on the reserve list so they have freedom to say no and do not wish to be enrolled full time in a team.

Once again I would like to thank Jo Perry, Anne Mitchell and Lois Dutton for all their help in co-ordinating the draw and Henry for also helping me with XPOINT issues. Much appreciated.

We are so thankful to be able to continue to play in such beautiful surroundings with such a great group of gals who just love the game of tennis.

Monique Spiller

Ladies Midweek Comp Secretary

Wednesday Night Mixed Competition Report

Our Spring competition commenced on 13th September 2023. We had 20 teams, 138 registered players across three divisions.

At the end of this comp we had one team take a comp off due to the team being a family team and they were going away on a family holiday. So they will miss Autumn competition and return for Winter/Spring 2024.

Our Autumn Competition commenced on 13th March 2024. We had 22 teams, 141 registered players across three divisions. We had two new teams formed. One in division 1 and the other in division 2. Division 1 team had current members and new family members join and division 2 team had one lady who had previously played WNX and two social players from Midson Road form a team and a new female join.

We continue to have quite a big pool list of 13 women and 25 men. We are always in need of female players to join.

Xpoint is still working well for our competition and we have changed and now win on sets first then games. People have slowly come to terms with the change. There still appears to be a lot of teams looking for players to fill in due to sickness and also people back travelling.

We have adjusted the winning trophy/glasses. The selection is now consistent through the entire team ie the team all receive either trophies, glasses or the cash prize. This streamlines the process for the pro-shop and also the trophy shop.

Marina Hurst

WNX Competition Secretary

Thursday Night Mens Competition Report

This year there were 5 divisions, with 32 teams and 195 members with approximately 16 pool players on Thursday nights. This is slightly less than previous years and only 15 courts were utilized.

With a small number of pool players it is great to have these people available and appreciate that those teams on byes make themselves available to fill in for others as needed, especially for Div 5.

Div 1 - 7 teams;

Div 2 - 8 teams;

Div 3 - 6 teams;

Div 4 - 7 teams;

Div 5 - 4 teams

Unlike other comps TNM does not automatically promote and demote teams for each new comp. We appreciate teams being able to self-manage to find their 'sweet spot' within the divisions so all can enjoy their tennis.

The next comp may well only 4 divisions with the 3 remaining division 5 teams being absorbed into division 4.

John Phare

TNM Competition Secretary

JUNIOR COMPETITIONS

Saturday Junior Competition

In 2023/24 our Saturday Junior competition has gone from strength to strength and has seen continuous growth as well as ongoing stability each term. We are lucky to have continuous support from Voyager Tennis as well as the local, independent coaches who feed our program. Our growth has been such that we now use courts at Cedarwood Drive, Cherrybrook and extend our gratitude to Kurt Morrison of Cherrybrook Tennis Coaching, for working with us by offering more courts to put more juniors on the court.

Term 3 2024 saw us continue our Winter comp with 139 registered players, across the 8am, 10am and 3pm timeslots. In Term 4 2023 our Summer SJC commenced in October 2023 and continued until April 2023. Our registrations numbers remained consistent for our Summer SJC with 141 registered players. Term 1 2024 saw a slight drop to 128 registrations and Term 2 2024, 130 registered. Across each term we averaged 135 registrations which is phenomenal.

Our juniors are the lifeblood of our club and we aim to continue the strong participation levels into our 2024/25 program, with a focus on transitioning our older athletes into our midweek adult competitions.

School Boys and School Girls Tournament 2023

North West Sydney Tennis hosted the School Boys School Girls Centenary tournament from November 23 to December 1. We faced many rain delays as well as scorching heat on several days, however this didn't deter the high level of tennis played across the week. There was a pleasing increase in the numbers of entries from 453 (289 players) in 2022 to 754 entries (404 players) in 2023.

Congratulations to Central Coast Sports College who took out 1st place in Primary Schools and 1st place in secondary schools! This is the 2nd year in a row Central Coast Sports College have won the secondary schools event. Well done to St Ignatius for finishing 2nd in Primary Schools and Redlands School who came 2nd in Secondary Schools.

The Tournament would not have been able to run as smoothly as it did without our dedicated tournament directors – Alan and Meaghan Ling. Your work did not go unnoticed, and we are very grateful to have such a good team in charge of this wonderful tournament. Thank you, Alan and Meaghan!

Additionally, the tournament would not have been the success it was without our hard-working volunteers. Special thanks to Robyn Johnson, Mel Dolahenty, Deb Murray, Karen Lenz, Cathy Goswell, Bep Kleiberg, Andy Kleiberg, Dave Cochrane, Jodie Horley, Donna Chalmers, Judy Halbedl, Olivia Mak, Kaye McIntyre, Heidi Fung, Enone Melville, Duncan Davies, Deb Stewart, Karen Thompson, Fay Yiannakopoulos, Donna Dragosetti, Katarzyna Musial-Gabrys, Julie Fitzgerald, Majella Casey, Monique Spiller, Caroline Wills, Robin Langdon, Dennis Pike and most importantly Clare Perry and Barb Schultz for their tireless work planning and running the canteen for the whole event. We look forward to this year's tournament which will take place on November 21 to November 29, 2024!

Junior Age Championships

The Junior Age Championships (JAC) were held on Friday 24, Saturday 25 & Sunday 26 May. We had a huge pool of 62 players competing for the Singles Age Championship and the quality of tennis and sportsmanship was top notch. Thank you to all the volunteers who helped us across the weekend. A special thank you to all the Pro Shop staff who took registrations and collated draws and finals fixtures. Congratulations to all the winners and finalists. The honour boards in the main clubhouse were updated upon completion of the JAC.

EASTWOOD THORNLEIGH DISTRICT TENNIS ASSOCIATION Inc. MEMBERSHIP 2023/24

At the close of the 2023/24 financial year membership totalled 1,039, comprising 820 Adults (including 270 Seniors) and 219 Juniors. Whilst this is certainly an impressive total compared with the majority of other tennis associations in Australia, it actually represents a decrease in our membership numbers compared with the FY23 total of 1,157.

The Adult & Senior member numbers have maintained the levels achieved in previous years, but the number of Juniors - due to various factors - has been quite volatile over the past few years. Junior members in FY22 numbered 247. This figure rose to 333 in FY23 but has subsequently dropped to 219 during the past financial year.

The groundwork has been set for a recovery, though, and there have been promising signs so far this financial year. The Junior membership figures have already reached 169 over just the first couple of months of FY25. This figure includes registrations for our July-September (school term) Saturday Tournaments and also our Interdistrict Tournament contingent which consists of 19 teams (made up of 4 players each) who have been selected to represent North West Sydney Tennis. Hopefully they will equal the success they achieved last year in winning the trophy!

Plans are also underway with a view to increasing the overall membership by way of our Five Year Strategic Plan, which will hopefully enable lots of new members to share in the enjoyment of our serene bushland venue and wonderful facilities.
