John's Ramblings

We are still not being advised of pool player recruitments and it seems teams are still approaching other teams in their own division to find a sub for the night. This is not allowable unless no pool players are available.

Please note that it helps us to provide the right results the first time if you complete the score-sheet yourselves including adding up the games played!

We seem to have to continually remind you that full names (or at least surnames) must be filled in and the player's player number every week.

There is a TNM assistant at Pennant Hills each week. Please see him immediately if there are any problems with players not showing up or disputed scores etc
