### Enio's Ramblings

**John is on Holidays. Please ring the number below if you have any issues.**

Please note that it helps us to provide the right results the first time if you complete the scoresheet score sheet completely with full names and the player's player number. Pool player and new player also need to be clearly indicated. Please add the email address and phone number for any new players to your team at the bottom of the score sheet.

We are still not being advised of pool player recruitments and it seems teams are still approaching other teams in their own division to find a sub for the night. This is not allowable unless no pool players are available.

There is a TNM assistant at Pennant Hills each week. Please see him immediately if there are any problems with players not showing up or disputed scores etc
